**Tutorial**

The tutorial can be opened as follows:

- Directly when starting Abaqus/CAE via the 'Start Session’ screen → 'Start Tutorial' → 'Getting Started with Abaqus: Interactive Edition'.

- Within Abaqus/CAE: 'Help' → 'Search and Browse Guides' → 'Getting Started with Abaqus: Interactive Edition'.

Read the text of chapters 1-4 and create the models described in appendices B and C yourself using Abaqus/CAE.
